W.P.(C) No.12280 of 2021

JUDGMENT

Petitioner has executed a work for the Kerala Water Authority during 2016. The grievance voiced by the petitioner in the writ petition concerns the inordinate delay on the part of the Water Authority in disbursing the proceeds of the said work.

2. The learned Standing Counsel for the Kerala Water Authority submits that the petitioner has executed a few additional works in the course of execution of the main work and the delay in disbursing the proceeds of the work was due to the delay in obtaining administrative sanction for the additional works carried out by the petitioner. It was also submitted by the learned Standing Counsel that administrative sanction has now been obtained in respect of the additional works executed by the petitioner and there is therefore no

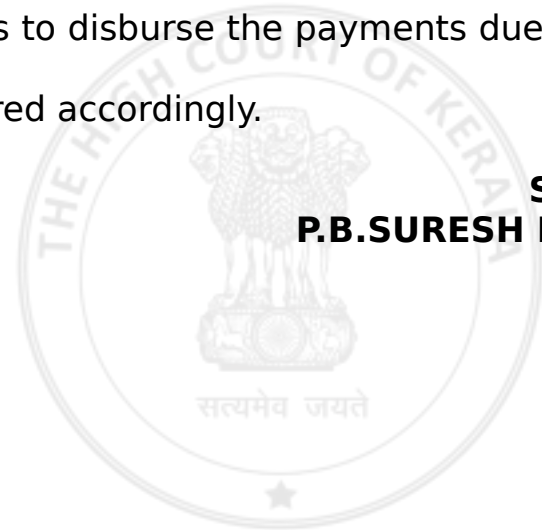

impediment in disbursing the payments due to the petitioner.

Having regard to the fact that the work referred to in the writ petition is one executed by the petitioner during 2016, I deem it appropriate to dispose of the writ petition directing the respondents to disburse the payments due to the petitioner forthwith. Ordered accordingly.
